West Virginia Association of the Deaf (WVAD) held their 42nd Biennial Conference at Lakeview Resort in Morgantown, WV, on August 8-10, 2019.

The conference was a huge success and offered rich information for the deaf and hard of hearing. The workshops provided on Friday morning were (1) “Sorenson Community Interpreting Services (SCIS)” by Jessie Adner and (2) “The Impact of Social Media” by Jacob Leffler and Tamera Deem. During Friday evening reception, Sorenson held a Deaf Chat and WVAD had Dingo afterwards.

WV Commission for the Deaf (WVCDHH) Executive Director Earnest Covington III hosted a hospital seminar on Saturday morning. Three hospital representatives (Mon Health from Morgantown, Camden Clark Hospital from Parkersburg, and Berkeley Medical Center from Martinsburg) came and listened to the attendees’ testimonies about their experience they face in their medical settings.

A board meeting and two general assembly meetings were also held. There were crafters, exhibition booths, and a silent auction to raise money for the organization as well. There were 78 attendees over the weekend who came from near and far. Everyone had such a wonderful time.

On Saturday evening, a banquet and an awards ceremony were held. An ASL Comedy show was provided by Performer, Educator, and Advocate Windell “Wink” Smith, Jr.

West Virginia Association of the Deaf (WVAD) held their 42nd Biennial Conference at Lakeview Resort, Morgantown, WV by Tamera Deem

(See 42nd Biennial... on page 10)
Hello and welcome to our Autumn newsletter,

I want to thank those 78 attendees who came to WVAD’s 42nd Biennial Conference that was held at Lakeview Resort in Morgantown, WV, on August 9-10, 2019. I especially want to recognize Chairperson Tamera Deem; Conference Committee; sponsors; exhibitors; local businesses who donated gift cards, gift certificates, items, and food for our breaks; presenters; entertainer; and West Virginia Commission for the Deaf and Hard of Hearing (hospital seminar) for their dedication to making the conference a huge success! Also thanks to Lakeview Resort for allowing us to have our conference there and making sure that everything went smooth the entire weekend. Thank you!

I also want to thank those who had confidence in me and voted me as the new WVAD President for the term 2019-2021. I will do my best to make the organization better and stronger. I want to thank outgoing President John Burdette for his hard work serving as WVAD President for the last 8 years. Job well done!

Fall is coming so that mean hunting season is around the corner so please be mindful and safe when you go out hunting in the woods. I hope those who deer hunt will get a good size buck this year. Football season is also here, meaning quality times spent with families and friends rooting together for our favorite teams.

I want to update you on what WVAD has done since the conference. Several board members and I went to Power baseball game in Charleston, WV, on August 30, 2019. WVAD had an exhibit table set up along with four other organizations. There were a good number of fans that showed up for the ball game. The board and I enjoyed the ball game and meeting people, letting them get to know me, as well as others.

WVAD was invited by Hands & Voice non-profit organization to come and set up an exhibit table at their annual picnic at Sutton, WV, on September 28, 2019. Some of the WVAD board and I went to the picnic. There were several other exhibit tables there too. Approximately 40 people came to the picnic.

WVAD board had its first retreat in Morgantown, WV, on October 5, 2019. The retreat was presented by a team of knowledgeable deaf people (Jacob Leffler, Kirsten Poston, and Vikki Porter) from Maryland. They gave a team building workshop and also gave helpful tips and advice on how to improve our organization to make it stronger and better.

Tamera Deem and I will be going to National Association of the Deaf’s National Leadership Training Conference (NLTC) on October 17-20, 2019, at Little Rock, Arkansas, to gain knowledge, expertise, and network to enable full productivity and success within our WVAD organization.

WVAD will be hosting a Christmas party on November 30, 2019, at Veterans of Foreign Wars (VFW) in Clarksburg, WV. I hope to see a good number of people come to enjoy the day, meet old and new friends, and enjoy the delicious foods that will be provided at the party. There will be cash prizes, gift raffles, and ugly sweater contest so come and have some fun and wear your favorite ugly sweater, vest, or outfit!

Just a quick reminder for those who have not paid for expired membership (see page 19 for membership form), please send the form and payment to our Membership Coordinator, Jimmy Harrison. WVAD accepts debit and credit cards for membership fees, etc. We are currently accepting Visa, MasterCard, American Express, Discover, and PayPal. You may also pay through Cash Square apps but you will need to contact Jimmy (contact info is on the membership form) to make payment arrangements. If you are not a member of WVAD, please join. If you have any questions about joining WVAD, please contact Jimmy Harrison. Your support and dues help keep WVAD going. This would also be a good way to give someone a membership as a gift.

In closing, please check out our WVAD website (www.wvad.org) or WV Association of the Deaf page on Facebook for any ongoing information about WVAD.

Warm regards,
Christopher T. Mick

MAXINE P. GRADY

Maxine P. Grady, age 88, of Romney, WV, died peacefully at the Winchester Medical Center on June 5, 2019, surrounded by her loving family.

She is the daughter of the late Loring Payne and Anne Hannas Payne. Maxine is also preceded in death by her husband, Forrest O. Grady, Sr.; her brother, James Payne; and her two sisters, Virginia “Ginny” Potter and Donna Saville.

Maxine was survived by two sons, Forrest O. “F.J.” Grady, Jr. (wife Janet) of Keyser, WV, and James T. “Jimmy” Grady (wife Susan) of Cumberland, MD; two daughters, Belinda Maxine Grady (companion Ray Oster) of Cumberland, MD, and Julie Mae Grady of Romney, WV; seven grandchildren, James Todd (wife Jennifer), Julieanne and Johnna Buckley, Jonathan Tyler (wife Kelsie), Carly Shaye, Ian (wife Andrea), and Jordan Grady; three great grandchildren, Jace Thomas Crandall, Mya Laurel, and Tycen Barron Buckley; and a hand-picked “granddaughter” Katherine “Kat” Corbin. She is also survived by her husband, Forrest O. Grady, Sr.; and her two brothers, Robert, Harold, Tim, and John Payne; and her two sisters, Virginia “Ginny” Potter and Donna Saville.

Maxine was born on Sunrise Orchard, and knew hard work from an early age. She left school in the 10th grade and went to work to help support her family (completing her education later in life). She soon after met Forrest Grady, Sr. and they were married on Valentine’s Day of 1947. That marriage lasted 69 years and produced a wonderful family and countless memories. Even at the end, Maxine was there for Forrest every day and made certain all his needs were met with the most loving care.

Maxine was the matriarch of the family and is given total credit as being the glue that held it all together. She loved family events, being a neighborhood mom, and in the world of givers and takers, Maxine was a primo giver with an enormous heart. As the grandchildren came along, Maxine became “Maw Maw” and she took much pleasure in going overboard with all of them and having a wonderful time. She loved to cook for family events, and there were many of them, most always at the family home in Savillavale.

Maxine will be remembered by many from her work at the A&P grocery store and as an administrator at the WV Schools for the Deaf and the Blind. She was one who could hold a career and still be mom and wife and excel at all. She was there for most every sporting event that her children, then grandchildren were involved in. Each of her children openly admit that Maxine had an undeniably wonderful influence on their lives, as a result of her love, and commitment to them (with a sizable amount of hard work thrown in). She will be sorely missed but never forgotten.

Friends were received on Saturday, June 8, 2019, from 12:00 until the time of service at 2:00 p.m. at Shaffer Funeral Home in Romney, WV. Maxine and Forrest will be interred together in a private ceremony at a later date.

In lieu of flowers, donations can be made to his Funeral Care Fund on his memorial page. For more information, please see https://www.browningfuneralhomewv.com/notices/Douglas-SmithSr.

She was born in Parkersburg, WV, on October 9, 1933, the youngest of five siblings of late Charles E. Uhl and A. Muriel (Adams) Uhl.

Lois was a 1953 graduate of West Virginia School for the Deaf (WVSD), Romney, WV. After graduating from WVSD, she worked at Brodies Clothing Store in Parkersburg, WV. They sent her to New York City to try out to be a model but she didn’t make it because of her height. She then was employed by Best Photo in Parkersburg, WV, and previously at the Louis A. Johnson VA Medical Center in Clarksburg, WV. Lois was a loyal member of the West Virginia Association of the Deaf for many years along side of her husband filling various positions of the association. She was also the Miss Deaf WV Pageant Director for many years. She enjoyed shopping, sewing, making a variety of crafts, baking and cooking, going to yard sales, flea markets, gardening, and canning. She mostly enjoyed spending holidays, birthdays, and special occasions with family and friends.

Mary Ann Jividen, President of Eastern Panhandle Deaf Alliance (EPDA), was presented the President Award by WVAD President, John Burdette, for all her hard work and dedication to forming a new 501(c)(3) non-profit organization in the Eastern Panhandle of West Virginia.

Worthy Devericks and John Burdette received Service awards for their years of service and dedication to WVAD.

April Hottle (Education Advocate) received the Mountaineer Award for volunteering her time and energy to provide a service of lasting benefit to the deaf community in West Virginia.

The conference committee also received certificates for helping to make sure the conference went smooth. They did a wonderful job organizing and helping during the conference and for making it successful!

Special thanks goes to local businesses who donated food, gift cards, gift certificates, gifts, and flowers. Dunkin Donuts and Love, Peace, and Little Donuts donated donuts for our morning workshop breaks. Subway donated cookies for our afternoon breaks during the General Assembly meetings. Papa John's and Little Caesars donated pizza for our Friday evening reception. Zaccagnini Morgantown Florist donated flowers for our moment of silence in memory of those who have passed on in the last 3 years.

WVAD brought back the Hillbilly Whittler T-shirts during the conference and it was a huge success! The T-shirts were originally designed over 30 years ago. If anyone is interested in buying a T-shirt, please see page 15 for details.

Charleston Association of the Deaf placed a bid to host the next conference in August 2021. We hope to see more people come to our next conference!

Deaf Alliance Brings Hope to Region’s Hearing Impaired

One of the biggest challenges for this group of people is navigating the health care system. According to Peacock, many of the hospitals and doctor’s offices in the Eastern Panhandle do not offer interpreter services at their offices. Instead, they rely on video translation services, which the EPDA said is inferior.

“There are a lot of problems with the hospitals here,” said Peacock. “I had a silent heart attack, and my wife took me to the emergency room; they put me down on the bed and they said ‘We’ll get the talking machine,’ but it was a video interpreter (VRI), and the nurse didn’t know where to plug it in. I watched them. I was in a life or death situation, and she didn’t know what to do with the plug. I was disgruntled. The hospital should have provided an interpreter. They avoid paying for interpreters because they cost money.”

As health care is an important aspect of many people’s lives, the EPDA has focused much of its efforts into providing education to deaf and hard of hearing people so they can learn about managing their chronic illnesses. One recent class given by the EPDA focused on managing diabetes, and for Joseph Munz, who is deaf, the class has already helped him get his diabetes under better control.

“The EPDA has been very helpful and have encouraged deaf people to improve themselves,” Munz said. “They asked me to go to a diabetic class. They really made things very clear; they were able to explain things. Of course, I’ve gone with interpreters to doctors’ offices, and the doctor would just explain about diabetes very briefly. My diabetes has improved since I’ve gone to this workshop, and after they explained these things, it’s really scary because I didn’t know a lot, and I’m glad they encouraged me to go. We need to have the EPDA in Martinsburg.”

Munz said similar classes focused on other chronic illnesses would be helpful to the deaf community, which he said is over 300 people in Martinsburg, and the EPDA stated they would like to host more seminars in the future.

Although health care is important, the EPDA wants to help deaf and hard-of-hearing people in all avenues of their lives. The lack of interpreters and a knowledge gap between deaf and hearing people can be frustrating to those who rely on sign language for communication, said Jividen.

“The year 2019, we feel like we are living in 1960, 1970, because they won’t provide interpreters,” Jividen said. “We have a long way to go. The number one thing is to educate everyone: businesses, hospitals, public services, the court systems, we need to educate them so they can understand.”

The EPDA is currently participating in the United Way of the Eastern Panhandle’s Unity Campaign, which has placed more than two dozen nonprofit groups under one umbrella for a 12-day giving event aimed at increasing donations.

“The EPDA wants to partner with the United Way, because they have a plethora of agencies that they work with,” Jividen said. “Mental health, group support, emotional support, we want to partner with them so we can send deaf or hard of hearing people to go to a specific agency under United Way.”

Jividen said she hopes to use any money donated to the EPDA to grow its operations and eventually hire a staff — including an interpreter coordinator and a case manager — so that it can assist deaf and hearing-impaired individuals across the Eastern Panhandle’s eight counties. Eventually, they hope to expand to other parts of the Mountain State as well, and Munz said he would like to see a staff interpreter at EPDA available for people who need them in hospitals.

WV School for the Deaf Class of 1969 50th Class Reunion by Terry Ford

Terry Ford hosted the WV School for the Deaf Class of 1969 class reunion to celebrate 50 years. The classmates who also helped with the planning were Rosie Moore, Roy Bailey, Debbie Steele, and Regina Ennis.

Some of the classmates were not able to come due to bad health issues and 4 people are deceased. We lit a candle to honor the deceased. They are Ronald Livingston, Nelma Thorne, Rosemary Moore, and James Cunningham, and we also honored Regina Ennis’ husband, James Ennis.

The lunch reception was held at the Whitehall Church of Christ. We played games and had prizes during both days. Many prizes were beautiful gifts. We all had a wonderful time and it was a lot of fun. We also got WVSD T-shirts to wear on Saturday (June 22nd). On the last evening, we had our farewell dinner at Cracker Barrel in Fairmont, WV.

1. Line a greased 15-inch x 10-inch x 1 inch baking pan with waxed paper. Grease the paper; set aside. In a large bowl, beat eggs for 3 minutes. Gradually add sugar; beat for 2 minutes or until mixture becomes thick and lemon colored. Stir in zucchini and vanilla. Combine flour, cocoa, baking soda, cinnamon, and salt; add to egg mixture until well blended (batter will be thick).

3. For filling, in a large bowl, beat cream cheese, butter, and vanilla until fluffy. Beat in confectioners’ sugar until smooth.

4. Unroll cake; spread filling evenly over cake to within 1/2 inch of edges. Roll up again. Place seam side down on a serving platter. Dust with confectioners’ sugar. Cover and refrigerate for 1 hour.
